Dear Mr. Hashim:

We are pleased to acknowledge the contribution of \$2000 from Council for Tobacco Research in support of the FASEB Summer Research Conference, "Transcriptional Regulation During Cell Growth," which was held August 13-18, 1994 in Santa Cruz, California.

The Federation and scientists who participated in this conference appreciate your committment to the advancement of scientific communication. The funds were used by the chairpersons, Dr. Danny Reinberg and Dr. Bob Eisenman, to defray the travel and registration expenses for some of the speakers.

Please express to the appropriate officials our appreciation for your support of this conference.

Sincerely,

Ken Vienot
